2.2. The source of funding is:

- a. GOCC and GFIs, the Corporate Operating Budget.

3. Bidding Requirements

The Bidding for the Project shall be governed by all the provisions of RA No. 9184 and its 2016 revised IRR, including its Generic Procurement Manuals and associated policies, rules and regulations as the primary source thereof, while the herein clauses shall serve as the secondary source thereof.

Any amendments made to the IRR and other GPPB issuances shall be applicable only to the ongoing posting, advertisement, or **IB** by the BAC through the issuance of a supplemental or bid bulletin.

The Bidder, by the act of submitting its Bid, shall be deemed to have verified and accepted the general requirements of this Project, including other factors that may affect the cost, duration and execution or implementation of the contract, project, or work and examine all instructions, forms, terms, and project requirements in the Bidding Documents.

4. Corrupt, Fraudulent, Collusive, and Coercive Practices

The Procuring Entity, as well as the Bidders and Suppliers, shall observe the highest standard of ethics during the procurement and execution of the contract. They or through an agent shall not engage in corrupt, fraudulent, collusive, coercive, and obstructive practices defined under Annex "I" of the 2016 revised IRR of RA No. 9184 or other integrity violations in competing for the Project.

5. Eligible Bidders

5.1. Only Bids of Bidders found to be legally, technically, and financially capable will be evaluated.

5.2. Foreign ownership limited to those allowed under the rules may participate in this Project.

- 5.3. Pursuant to Section 23.4.1.3 of the 2016 revised IRR of RA No.9184, the Bidder shall have an SLCC that is at least one (1) contract similar to the Project the value of which, adjusted to current prices using the PSA's CPI, must be at least equivalent to:
- a. For the procurement of Non-expendable Supplies and Services: The Bidder must have completed a single contract that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC.
- 5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.1 of the 2016 IRR of RA No. 9184.

6. Origin of Goods

There is no restriction on the origin of goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN, subject to Domestic Preference requirements under **ITB** Clause 18.

7. Subcontracts

- 7.1. The Bidder may subcontract portions of the Project to the extent allowed by the Procuring Entity as stated herein, but in no case more than twenty percent (20%) of the Project.

The Procuring Entity has prescribed that:

- a. Subcontracting is not allowed.
- 7.2. *[If Procuring Entity has determined that subcontracting is allowed during the bidding, state:]* The Bidder must submit together with its Bid the documentary requirements of the subcontractor(s) complying with the eligibility criteria stated in **ITB** Clause 5 in accordance with Section 23.4 of the 2016 revised IRR of RA No. 9184 pursuant to Section 23.1 thereof.
- 7.3. *[If subcontracting is allowed during the contract implementation stage, state:]* The Supplier may identify its subcontractor during the contract implementation stage. Subcontractors identified during the bidding may be changed during the implementation of this Contract. Subcontractors must submit the documentary requirements under Section 23.1 of the 2016 revised IRR of RA No. 9184 and comply with the eligibility criteria specified in **ITB** Clause 5 to the implementing or end-user unit.
- 7.4. Subcontracting of any portion of the Project does not relieve the Supplier of any liability or obligation under the Contract. The Supplier will be responsible for the acts, defaults, and negligence of any subcontractor, its agents, servants, or workmen as fully as if these were the Supplier's own acts, defaults, or negligence, or those of its agents, servants, or workmen.

8. Pre-Bid Conference

The Procuring Entity will hold a pre-bid conference for this Project on the specified date and time and either at its physical address at and/or through videoconferencing/webcasting as indicated in paragraph 6 of the **IB**.

9. Clarification and Amendment of Bidding Documents

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the **IB**, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

10. Documents comprising the Bid: Eligibility and Technical Components

- 10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.
- 10.2. The Bidder's SLCC as indicated in **ITB Clause 5.3** should have been completed within the last three (3) years prior to the deadline for the submission and receipt of bids.
- 10.3. If the eligibility requirements or statements, the bids, and all other documents for submission to the BAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. Similar to the required authentication above, for Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.

11. Documents comprising the Bid: Financial Component

- 11.1. The second bid envelope shall contain the financial documents for the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.
- 11.2. If the Bidder claims preference as a Domestic Bidder or Domestic Entity, a certification issued by DTI shall be provided by the Bidder in accordance with Section 43.1.3 of the 2016 revised IRR of RA No. 9184.
- 11.3. Any bid exceeding the ABC indicated in paragraph 1 of the **IB** shall not be accepted.
- 11.4. For Foreign-funded Procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 revised IRR of RA No. 9184.

12. Bid Prices

- 12.1. Prices indicated on the Price Schedule shall be entered separately in the following manner:
- a. For Goods offered from within the Procuring Entity's country:
 - i. The price of the Goods quoted EXW (ex-works, ex-factory, ex-warehouse, ex-showroom, or off-the-shelf, as applicable);
 - ii. The cost of all customs duties and sales and other taxes already paid or payable;
 - iii. The cost of transportation, insurance, and other costs incidental to delivery of the Goods to their final destination; and
 - iv. The price of other (incidental) services, if any, listed in e.
 - b. For Goods offered from abroad:
 - i. Unless otherwise stated in the **BDS**, the price of the Goods shall be quoted delivered duty paid (DDP) with the place of destination in the Philippines as specified in the **BDS**. In quoting the price, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible source country.
 - ii. The price of other (incidental) services, if any, as listed in **Section VII (Technical Specifications)**.

13. Bid and Payment Currencies

- 13.1. For Goods that the Bidder will supply from outside the Philippines, the bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies, shall be converted to Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.
- 13.2. Payment of the contract price shall be made in:
- a. Philippine Pesos.

14. Bid Security

- 14.1. The Bidder shall submit a Bid Securing Declaration¹ or any form of Bid Security in the amount indicated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the schedule in the **BDS**.
- 14.2. The Bid and bid security shall be valid one hundred twenty (120) calendar days from the date of opening of bids. Any Bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

15. Sealing and Marking of Bids

Each Bidder shall submit one copy of the first and second components of its Bid.

The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.

If the Procuring Entity allows the submission of bids through online submission or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.

16. Deadline for Submission of Bids

- 16.1. The Bidders shall submit on the specified date and time and either at its physical address or through online submission as indicated in paragraph 7 of the **IB**.

17. Opening and Preliminary Examination of Bids

- 17.1. The BAC shall open the Bids in public at the time, on the date, and at the place specified in paragraph 9 of the **IB**. The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the BAC Secretariat.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 revised IRR of RA No. 9184 shall prevail.

- 17.2. The preliminary examination of bids shall be governed by Section 30 of the 2016 revised IRR of RA No. 9184.

¹ In the case of Framework Agreement, the undertaking shall refer to entering into contract with the Procuring Entity and furnishing of the performance security or the performance securing declaration within ten (10) calendar days from receipt of Notice to Execute Framework Agreement.

18. Domestic Preference

- 18.1. The Procuring Entity will grant a margin of preference for the purpose of comparison of Bids in accordance with Section 43.1.2 of the 2016 revised IRR of RA No. 9184.

19. Detailed Evaluation and Comparison of Bids

- 19.1. The Procuring BAC shall immediately conduct a detailed evaluation of all Bids rated "*passed,*" using non-discretionary pass/fail criteria. The BAC shall consider the conditions in the evaluation of Bids under Section 32.2 of the 2016 revised IRR of RA No. 9184.
- 19.2. Except for bidders submitting a committed Line of Credit from a Universal or Commercial Bank in lieu of its NFCC computation, all Bids must include the NFCC computation pursuant to Section 23.4.1.4 of the 2016 revised IRR of RA No. 9184, which must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder. For bidders submitting the committed Line of Credit, it must be at least equal to ten percent (10%) of the ABCs for all the lots or items participated in by the prospective Bidder.

3. Submit semi-annual accomplishment reports and recommendations signed by the service manager and/or service supervisor, and service report for each unit signed by service technician. Submit said reports together with the semi-annual billing.

II. SPECIAL/OTHER CONDITIONS OF THE CONTRACT

1. The Contractor shall be responsible for the supply of labor, technical expertise, supervision, tools and instruments, repair equipment, and office supplies (service reports) and waste rugs for the semi-annual preventive maintenance of the air conditioning equipment as specified in the above scope of work.

2. The Contractor must comply with the Republic Act No. 8495, The Philippine Mechanical Engineering Act of 1998, in the management, supervision, operation, servicing or maintenance of all the subject Packaged Air-conditioning units of the PICC Main Complex. As a requirement, the winning Contractor must have in its organization or assign at least one (1) licensed/registered mechanical engineer during the implementation of the project.
3. The PICC shall supply the required materials, and spare parts for the proper operation and maintenance of the above-mentioned equipment/system in accordance with its policy and procedures.
4. The Contractor must respond within 24 hours upon receipt of call to trouble shoot and repair any minor trouble encountered by PICC' personnel. Minor repair will be free of charge such as replacement of owner-supplied thermistors, capacitor, contactor, relay, circuit breaker, PCB and fan motor.
5. The Contractor shall work together and harmoniously with the PICC personnel and other contractors in which works are affecting the air conditioning units being serviced.
6. The following services (labor only) shall be part of Contractor's responsibility:
 - 6.1 Charging additional refrigerant and compressor oil in case of undercharge conditions. PICC shall supply the refrigerant and compressor oil.
 - 6.2. Minor adjustment and calibration of electrical and electronic controls and other accessories.
 - 6.3. Installation of minor parts and accessories not requiring extensive dismantling and/or re-assembly.
 - 6.4. Minor leak testing (those not using nitrogen gas) for maintenance purposes only.
 - 6.5. Minor brazing, soldering, welding, painting and fabrication works.
 - 6.6. Replacement of bearings of blower and fans, and electric motor excluding compressor.
 - 6.7. Evaporator and condenser coil cleaning using contractor-supplied mild coil cleaner with appropriate corrosion inhibitor and/or mild detergent soap.

NOTE: Alkaline coil cleaner with pH of more than 9.5 must not be used to avoid weakening the aluminum fins. The PICC may require Contractor to apply phosphoric acid-based coil cleaner once to each unit for one (1) year to prevent corrosion attack, or restore the corroded/weakened aluminum fins if any.

7. The following services shall not be part of Contractor's responsibility:
 - 7.1. Supply of materials (including oils, grease, paint, coolant and refrigerants) and spare parts.
 - 7.2. Overhauling of motor-compressor, rewinding of fan motors, and conversion of bushing to bearings or vice versa.
 - 7.3. Rewinding and reconditioning of motors, solenoids, transformers, holding coils, etc.
 - 7.4. Replacement of compressor.
 - 7.5. Replacement of air filters.
 - 7.6. Major dismantling, installation, disassembly, assembly, alignment and re-installation of equipment (not applicable to window-type air-conditioners).
 - 7.7. Leak testing requiring the use of nitrogen gas.
 - 7.8. Vacuuming and dehydration of the refrigerant system
 - 7.9. Rewiring of electrical and/or electronic controls and accessories of the chillers.
8. All preventive maintenance services and repair works shall be performed during regular working hours, 8:00a.m. to 5:00p.m., and from Mondays to Saturdays. However, the Contractor shall not be allowed to do the repair or maintenance works during working hours if the work area is being used by PICC/or clients except on emergency cases. During emergency service, the contractor shall be allowed to work even beyond regular working hours at his/her own expense.
9. All preventive maintenance works shall be finished within the first three (3) months of the semi-annual period.
10. The Contractor shall immediately survey and evaluate the cause and extent of damage of any equipment covered by the scope of work and shall inform/advise promptly the PICC verbally and in writing for the necessary repair works.
11. Any services that are not part of the scope of work shall go through the regular procurement or bidding process in accordance with the Government procurement law.
12. The Contractor's personnel to be assigned at PICC shall have no employee-employer relation with PICC. The PICC shall not in any way be responsible for claims for personal injury, wages and other employee benefits, and other claims for damages including death of its personnel

and third parties brought in by the Contractor or by its employees for the performance of duties specified herein.

13. The Contractor shall ensure that its assigned personnel and/or representatives shall comply with, and submit themselves to, the rules and regulations of the PICC on security, sanitation, environmental compliance, safety and health protocols and other regulations.
14. The Contractor must submit NBI Clearance of each assigned personnel to be assigned at the PICC.
15. The Contractor's personnel should wear its company uniform/ID at all times in the PICC premises.

III. GENERAL PROVISION

1. No part of the services to be provided under this Scope of Work, and/or the contract may be sub-contracted.
2. The Contractor warrants that its personnel and/or representatives to be assigned shall comply with and submit themselves to the PICC' policies, procedures, rules and regulation concerning security, safety, health, environmental protection, energy conservation, coordination system, materials and parts issuance, etc.
3. In the event a breach of contract is committed by the CONTRACTOR, PICC shall have the option to terminate this Contract and claim damages against the CONTRACTOR for loss or injury incurred due to such breach and bar the former from dealing business with the latter for one (1) year.

IV. TERMINATION OF CONTRACT

In addition to the termination clause and prohibition under General Provisions, this Contract/Scope of Services shall be terminated by PICC if the Contractor or its personnel committed/caused the following unsatisfactory/poor performance:

1. One (1)-time mechanical explosion happened during servicing of equipment that resulted to damage of PICC equipment and/or properties.
2. One (1)-time electrical explosion/short circuit happened during servicing of equipment that resulted to business loss for PICC and damage to its equipment and/or properties.
3. One (1)-time proven sabotage of operation or intentional non-operation of any of the seven hundred eight (708) air conditioning units through manipulation of electrical connections and termination. Sabotage means shutdown/non-operation of any equipment caused by Contractor or its personnel.

4. One (1)-time incidence of loss of life or injury of any person within PICC premises occasioned by negligence or direct action of the contractor and/or its personnel.
5. One (1)-time stealing PICC properties or any properties of any entity/persons within PICC premises either caught in the act by any person or proven guilty by PICC security guard/police authorities/any competent court.
7. One (1)-time failure to render services on any of the seven hundred eight (708) air conditioning units under this scope of services.
8. One (1)-time cancellation of any event resulting from any problems of air conditioning system or trouble made by the Contractor or its personnel.
9. Two (2) times consecutive/accumulated unsatisfactory performance based on semi-annual period performance rating given by Mechanical Services Division.

Commission of any of the following shall also be considered "unsatisfactory performance":

1. Non-completion of semi-annual services outlined under Specific Activities and Work Conditions. No partial payment for partial or incomplete services unless the fault or cause of partial accomplishment of the Contractor is due to action/in-action of PICC or its representatives.
2. Two (2) or more times observed unsafe practices which may results to damage of any PICC equipment and/or properties, and/or loss of life of any persons within PICC premises.
3. Two (2) or more times failure to respond from an emergency trouble call of PICC personnel within 24-hour from receipt of phone call within the semi-annual period or six (6)-month period.
4. Two (2) written warnings within one-semi-annual period/six (6)-month period from the Office of Mechanical Services due to unsatisfactory workmanship.
5. Total of three (3) written warnings within the two (2) semi-annual periods from the Office of Mechanical Services due to any action by the contractor or its personnel in violation of PICC security and safety rules.

Penalty:

- a. The Contract/Scope of Services shall be terminated by PICC if the Contractor committed/rendered poor/unsatisfactory performance as outline above.
- b. The Contractor shall not be paid for any rendition of semi-annual services below satisfactory performance rating. Non-completion of any services outlined in Specific

Activities is considered unsatisfactory performance and therefore, the subject period shall not be paid.

- c. The Contractor shall be given written warning for the first offense of unsatisfactory performance and shall be notified for every offense committed and penalty charges.
- d. The Contractor shall be post-disqualified in any biddings participated for one year after termination of contract.

Any motion for reconsideration for the payment of semi-annual services due poor performance and unsatisfactory performance as stipulated above shall not be entertained by PICC to favor the Contractor.

Further, the Contractor shall not be paid for any rendition of semi-annual services below satisfactory performance rating or for incomplete or partial accomplishment unless the cause of incomplete or partial accomplishment is due to action of PICC or its representatives. The contractor shall be given written warning for the first periodic/semi-annual offense of unsatisfactory performance and shall be penalized immediately by way of non-payment for semi-annual services rendered for the subject period.

However, it shall be enough ground for PICC to terminate the contract without warning if the Contractor rendered any service or maintenance work that resulted to mechanical and/or electrical explosion resulting to loss of business for PICC, client's filing of case against PICC in any competent court, major damage (un-serviceable) of equipment, circuit breaker, magnetic starters/contactors and other properties.

STATEMENT OF COMPLIANCE

Bidders must state here either "Comply" or "Not Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered.

Note:

Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.
